Terms, Conditions and Limitations

In addition to the terms and conditions outline in the Terms of Service and Acceptable Use Agreements the additional terms, conditions, and limitations apply:

1. SSL Certificates is an add-on service to our hosting. It is not a standalone service.
2. All listed rates are for online sales only. Other custom rates are available and may provide additions services and fees which are not part of this service offer.
3. All services are on a recurring basis and require credit card for payment. SonicSpider does not retain payment information which is maintained by PayPal Inc. based on their published terms, conditions and limitations.
4. Recurring basis means that an automatic charge to your account will be made through the PayPal "Recurring Billing" system on the yearly anniversary of your initial payment. You can verify that anniversary date by checking the initial payment in the Dev Center.
5. No refunds on services already in progress. Refunds will only be available on new purchases that have not been activated or put into service at the time of refund request. All refund requests must be in writing.
6. SonicSpider is not responsible for service interruptions caused by third party providers.
7. Service terms are Yearly only.
8. Renewal of service occurs 30 days prior to the end of the current service term.
9. Failure to renew service because of Credit Card expiration or lack of credit will cause the service to be suspended. A \$25 restart service fee will be charged as part of resuming service. No exceptions permitted. SonicSpider is under no obligation to notify you if there is a payment failure but will attempt to notify you via email whenever possible.
10. Cancellation of services require a written request to SonicSpider LLC 30 days prior to the end of the current service term.
11. Certificates are limited by Comodo's offerings and published terms and conditions.
